OCTOBER 1973

**STEVE IVY RARE
COIN CO.**

S.I.R. COIN SAYS

In this catalog you will find the S.F. Phillips Collection plus many new purchases and selected items from our Inventory. Mr. Phillips was a collector of most 19th Century U.S. coins for over 30 years. Most of his coins were purchased in the 1950's. The quality of most of the coins is indicative of Mr. Phillip's quest for perfection.

If you have never participated in a Mail Bid Sale, the rules are simple. There is a Bid Form in the back of this Catalog for your convenience. Just write down the lot number and your bid. If your bid is highest and reasonable, you will be notified by return mail.

This type of sale provides the customer with a chance to pay his price and allows us the opportunity to increase sales. The sale closes November 3rd, so please mail your Bids quickly after receiving the Catalog. No deposit is needed. Seven day return privilege on all coins. All coins unconditionally guaranteed genuine. Six month Lay Away available on all purchases.

1066 1884, Trade Dollar Gem Proof

The mystery surrounding the mint age of this coin remains fascinating to the numismatist year after year. There is still no explanation as to why it was struck but the accepted fact that there were originally 10 made. Today only 8 can be accounted for. For many years the existence of any pieces dated 1884 was doubted but in the early 20th century several appeared on the market. The rarity of this coin is unquestioned. With a mintage of only 10 the 1884 Trade is actually seen less than many of the great rarities including the 1804 Dollar and 94 S Ome.

The specimen we have obtained is fully gem proof with light toning on both obverse and reverse. The last recorded sale of this coin we can find is in 1972 where an impaired specimen brought \$17,000.00. We feel with the market as it is for coin rarities, this coin should bring a substantial bid.
